

PARISH CHILD SAFEGUARDING POLICY

The parish of St. Luke the Evangelist values and encourages the participation of children and young people in parish liturgies and parish activities in order to enhance their spiritual, physical, emotional, intellectual and social development.

We recognise the dignity and rights of all children and are committed to ensuring their protection from all forms of abuse.

This commitment is binding on all priests, employees and volunteers who work in our parish. It extends to the many and varied ways that children share in the life of the Church in our parish.

The parish works in partnership with the HSE and An Garda Síochána in all matters pertaining to the safe guarding of children. If you have a concern about child abuse you should contact:

THANK YOU

What a wonderful celebration we had last weekend to commemorate our 25th anniversary.

Thank you to everyone who helped to make it such a great occasion. All those who helped to clean and prune the church grounds in the weeks prior to the event. All those who brought and prepared food. Everyone who helped to prepare the school hall including the children who created such beautiful art work and everyone involved in the liturgy and mass. You all did a fantastic job.

We thank God for everyone who has helped to grow and build our parish over the past 25 years and we look forward to continuing to serve the parish as we move forward into the future.
