

PARISH CHILD SAFEGUARDING POLICY

The parish of St. Luke the Evangelist values and encourages the participation of children and young people in parish liturgies and parish activities in order to enhance their spiritual, physical, emotional, intellectual and social development.

We recognise the dignity and rights of all children and are committed to ensuring their protection from all forms of abuse. This commitment is binding on all priests, employees and volunteers who work in our parish. It extends to the many and varied ways that children share in the life of the Church in our parish.

The parish works in partnership with the HSE and An Garda Síochána in all matters pertaining to the safe guarding of children. If you have a concern about child abuse you should contact:

Parish Intentions

It has always been an important part of our tradition that when we hear of someone with a problem or a worry we offer to say a prayer for them.

To enable us to do this as a Parish, we have placed pages on which intentions can be written, at the top of the church, beside the statue of Our Lady. Next to it is a box in which you can place your petition anonymously.

At all Masses on the first weekend of the month, we will place the box on the altar and we will ask Mary to intercede for us as we make our prayers to God.

As a loving and caring community, we walk with all those who are carrying a cross.

FAITH FOR LIFE

You might have noticed a poster on the door for the Faith for Life programme. It's designed to help us to discover new ways to live out our faith in the reality of today's world.

The course is delivered in a friendly open atmosphere over 4 weekends and is highly recommended to anyone who wants to broaden their understanding of living out their faith.

If you think you might be interested and want more information please contact Colette our parish pastoral worker or the email address on the poster.
