

## PARISH CHILD SAFEGUARDING POLICY

The parish of St. Luke the Evangelist values and encourages the participation of children and young people in parish liturgies and parish activities in order to enhance their spiritual, physical, emotional, intellectual and social development.

We recognise the dignity and rights of all children and are committed to ensuring their protection from all forms of abuse. This commitment is binding on all priests, employees and volunteers who work in our parish. It extends to the many and varied ways that children share in the life of the Church in our parish.

The parish works in partnership with the HSE and An Garda Síochána in all matters pertaining to the safe guarding of children. If you have a concern about child abuse you should contact:

### **WORLD MISSION SUNDAY**

This weekend we celebrate World Mission Sunday, a day when our entire Church family comes together for a truly incredible celebration of solidarity. Today, every single Church around the world shares what they can, so that the vital work of the Church and our missionaries can continue. Through your extra generosity, you are offering much needed financial help to missionaries who dedicate their lives to those who are suffering and neglected. From all the missionaries your kindness supports, thank you for digging deeper today.

### **Parish Intentions**

At all Masses on the first weekend of the month, we will place our Parish Intentions box on the altar and we will ask Mary to intercede for us as we make our prayers to God.

If you would like your intentions to be included we have placed pages on which intentions can be written, at the top of the church, beside the statue of Our Lady. Next to it is the box in which you can place your petition anonymously.

As a loving and caring community, we walk with all those who are carrying a cross.
